

SATURNO

Self-service for the future

distform
PROFESSIONAL KITCHEN EQUIPMENT

www.distform.com

Brillantes y atractivos. Facilitando la observación de lo expuesto. Así son nuestros muebles self-service por eso los hemos llamado **Saturno**, uno de los cuerpos celestes más brillantes y fáciles de observar desde la Tierra.

Son muy fiables, robustos, de gran calidad. Han sido diseñados de forma modular, para dar servicio de manera individual o formando una línea siempre versátil y polivalente.

*Bright, appealing and drawing our eyes to what's on display. This describes our self-service fixtures, which is why we've named them **Saturno**, after one of the most brilliant celestial bodies and easy to see from Earth, Saturn.*

Reliable and strong, these top-quality fixtures have been designed to be modular in order to provide service both in an individual manner as well as part of an ever-versatile and multi-purpose line.

Flamboyants et attractifs. Observation facile des aliments exposés. C'est pour cela que nos meubles de libre-service portent le nom de **Saturno**, tel l'un des corps célestes les plus brillants et faciles d'observer depuis la terre.

Ils sont très fiables, robustes et de grande qualité. Ils ont été conçus de façon modulaire pour un service individuel ou pour former une ligne toujours versatile et polyvalente.

Cristales e iluminaciones en muebles y vitrina pensados para realzar el aspecto y la presentación de los alimentos.

Glass and lighting in fixtures and cases designed to enhance the food's appearance and presentation.

Les verres et les lumières sur les meubles ou les vitrines ont été pensés pour rehausser l'aspect et la présentation des aliments.

El self-service Saturno incorpora notables avances para su instalación y uso en toda su amplia gama:

- Nuevos soportes de pantalla más fáciles de instalar.
- Nuevos pasabandejas, más robustos y sin tornillería a la vista.
- Nuevos materiales y diseños de ingeniería que optimizan su rendimiento, proporcionando ahorro energético, tanto en frío como en calor.
- Nuevos modelos 6GN para grandes capacidades.
- Cubas baño maría para cubetas GN de 200 mm. de profundidad.
- Nuevos paneles decorativos para poder adaptarlo a cualquier ambiente.

Saturno self-service units incorporate notable advances in terms of installation and usage throughout in wide range of fixtures:

- *New, easier-to-install screen supports.*
- *New, stronger tray line without visible bolting.*
- *New materials and engineering design to enhance performance, providing energy savings for both hot and cold temperatures.*
- *New 6-GN models for large volumes.*
- *Bain-marie tubs for 200 mm. - deep GN pans.*
- *New decorative panels so clients can choose the final finish.*

Le libre-service Saturno a fait preuve de notables innovations en matière d'installation et d'usage pour toute sa gamme:

- Nouveaux pare haleines plus faciles à installer.
- Nouveaux passe plateaux, plus robustes et sans vis apparente.
- De nouveaux matériaux et une ligne nouvelle pour optimiser son rendement et économiser de l'énergie en chaleur comme en froid.
- Nouveaux modèles 6GN pour de plus grandes capacités.
- Bacs bain-marie pour les modèles GN de 200 mm. de profondeur.
- Nouveaux panneaux décoratifs pour que le client choisisse la finition finale.

Dispensador de vasos / Glass Dispenser / Distributeur de verres

6 estantes de acero inoxidable. Incorpora ruedas y varilla anticaída de vasos. Construido en acero inoxidable AISI 304 18/10.

6 stainless steel shelves, built-in wheels and an anti-drop barrier for glasses. Made of AISI 304 18/10 stainless steel.

6 étagères en acier inoxydable. Doté de roulettes et d'une réglette pour prévenir la chute des verres. Fabriqué en acier inoxydable AISI 304 18/10.

Guías pasabandejas / Tray lines / Rampes à plateaux

Encajadas en el mueble para conseguir una gran robustez y una estética libre de tornillos a la vista. Construidos en acero inoxidable AISI 304 18/10. Encajados y atornillados al mueble.

Set into the fixtures themselves to gain greater strength plus a finish keeps any bolts or screws out of sight. Made of AISI 304 18/10 stainless steel. Built into and bolted to the fixture.

Encastrées dans le meuble pour une plus grande robustesse et une esthétique sans vis apparente. Fabriquées en acier inoxydable AISI 304 18/10. Incorporées et fixées au meuble.
